Engineering student**

**Overall Grade
Point Average**

**Expected
graduation date**

Awards or recognitions

Scholarships

English proficiency

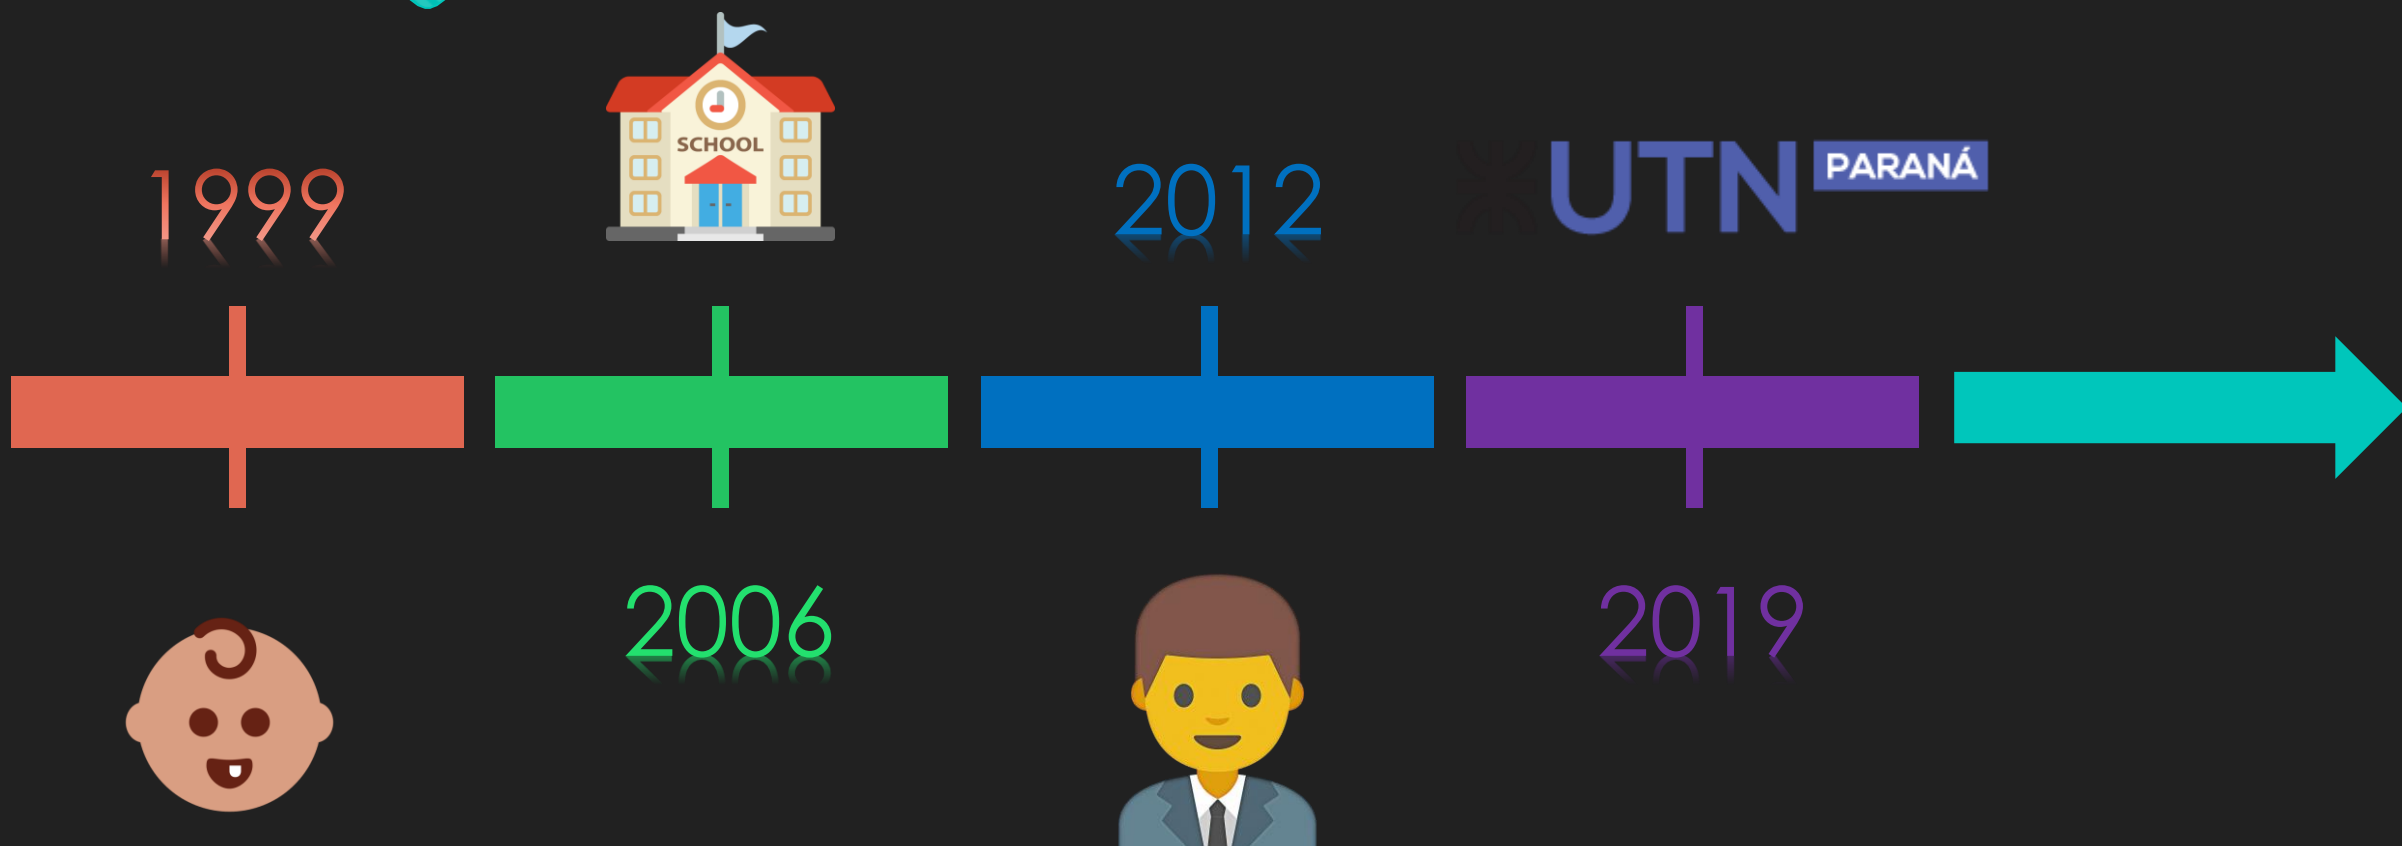

Daily Routine

- In the morning
- In the afternoon
- At night
- On the weekend

Biography

I chose Australia

- ✓ Many projects are created in this country
- ✓ There I will know what a first world country is like
- ✓ I will have a satisfactory experience
- ✓ Its ecosystem and infrastructure are amazing

To finish the university and be an electromechanical engineer

To look for a stable job as an engineer

To form a family with my girlfriend and have two children

Plans for the Future

**Why would I
like to take
this course?**

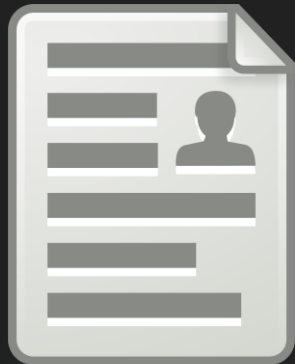

English skills

Cultures

Sydney Opera House

More experience

Leadership

Teamwork

**Thank you very much
for your attention**
